Description: While many books explain the how of bitcoin, The Internet of Money delves into the why of bitcoin. Acclaimed information-security expert and author of Mastering Bitcoin, Andreas M. Antonopoulos examines and contextualizes the significance of bitcoin through a series of essays spanning the exhilarating maturation of this technology....

Review: When I dove down the rabbit hole of Bitcoin in late 2013, Andreas YouTube talks and podcasts pulled me further in, and this book is a compilation of these entertaining and informative talks. The source videos are well worth watching, and this book is a good complement to them. His engaging speaking style comes through on the page, and his enthusiasm...
